

# Chapter 8 – Section 4

Debating America's new role

- 1. Who were the anti-imperialists?
- 2. What were three arguments the anti-imperialists made against the United States' expansionist policy?
- 3. What is racism and what role did it play in imperialism?
- 4. What fear did some anti-imperialists have?

- 5. What were two economic arguments against imperialism?
- 6. What were three reasons many supported imperialism?
- 7. What was the Great White Fleet?
- 8. Why did we support many corrupt and sometimes cruel rulers in Latin America?
- 9. Even though many countries resented America's interference around the world, how did some countries feel?
